

AG-20 Sanitize Anywhere, Anytime

Looking for a mobile vaporizer and free of power plug? AG-20 is the one you need.

It is the first mobile Antibacterial Vaporizer among Air Guard production line. Using with FLD and FLV antibacterial solution, it can let users operate it without the limit of time and power connections.

The product mainly features:

- Powered by a rechargeable battery
- Produce continuous massive output.
- No need to wait for warming up
- Built-in nine types of timer setting, adjustable based on target area size.
- With wireless remote to control it easily and remotely.

It is perfect to use in camping, food truck, school bus...etc. Anywhere there is no main power supply is the best place for AG-20 to perform.

To protect our loved ones from invisible but harmful bacterial and germs, using AG-20 vaporizer & Air Guard antibacterial solution to sanitize anywhere, anytime!
