1ST EVER ANNUAL

FUTURE JEWELRY DESIGNER CONTEST

RULES OF THE CONTEST:

- ◆ Students from Marshall county schools (**grades 3-5, 6-8, and 9-12**) may design a ring or pendant. The winning design will be manufactured and presented to the student! Winning contestants can give the finished piece to someone special if they choose.
- ◆ Students may sketch final design on back of this entry form or attach additional paper to this entry form. (We suggest sketching your design on scratch paper before the final design is applied to your entry form).
- ◆ All designs must be submitted, **in person, by mail, or by web to Fernbaugh's or Heartland Art Center no later than Tuesday, April 16th, 2024 by 6:00 p.m. EST**
- ◆ On Friday, April 19th, 2024, Fernbaugh's Jewelers will post the top 5 designs from each grade category (grades 3-5, 6-8, and 9-12) and we are giving YOU the opportunity to choose our winners! The design with the most likes/loves from each grade category by April 26th @ 12:00 p.m. (EST) will be our winners. Only likes/loves on pictures in the original post by Fernbaugh's from verified, U.S. social media accounts will be counted.
- ◆ Teachers, please feel free to contact Brian Van Duyne at Fernbaugh's Jewelers with any questions. info@fernbaughsjewelers.com or (574) 936-1577.

JUDGING CRITERIA FOR TOP 5 DESIGNS:

- ◆ Practicality of creating the piece.
- ◆ Ability to create the piece exactly as the student designed it without sacrificing intent.
- ◆ How functional the piece would be.
- ◆ Creativity of design.
- ◆ Presentation of design (legible handwriting, clean lines, proper explanation of stones and metals desired).
- ◆ Please tell students to put their final designs on the Fernbaugh's design sheet. If necessary, they can put their **final designs** on another piece of paper and clip to Fernbaugh's design sheet. Students might want to sketch out first on scratch paper before creating the final design.
- ◆ The design you submit for this contest **must be your original idea and work. Do not copy an existing piece of jewelry or copy an image found online.**

*No purchase necessary. Three designs (**one grade 3-5, one grade 6-8, and one grade 9-12**) will be chosen. Every effort will be made to adhere to the winning student's original design. However, Fernbaugh's reserves the right to modify the design and select metals and gemstones at the discretion and suggestion of our jeweler. Name, Grade, School, Teacher, Home Address, and Home Phone Number must be clearly written on your entry form to qualify.
