

PRIMARY

Color outside the lines.

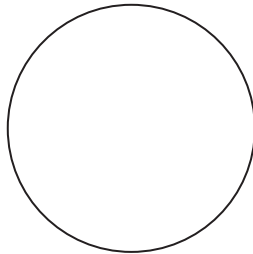

Activities to imagine, explore, and create something new. Share what you've made with us on social @primarydotcom!

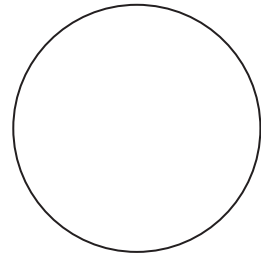

Color by You

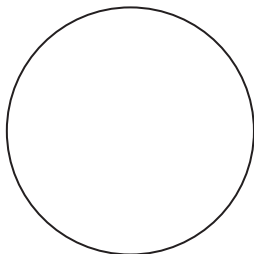

The color of your favorite shirt

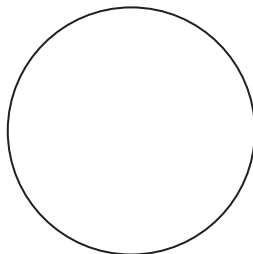

A color that makes you happy

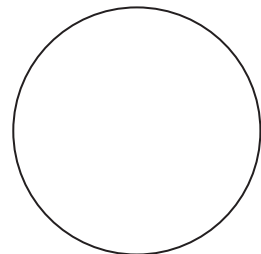

A color that reminds you of summer

A color for how you feel today

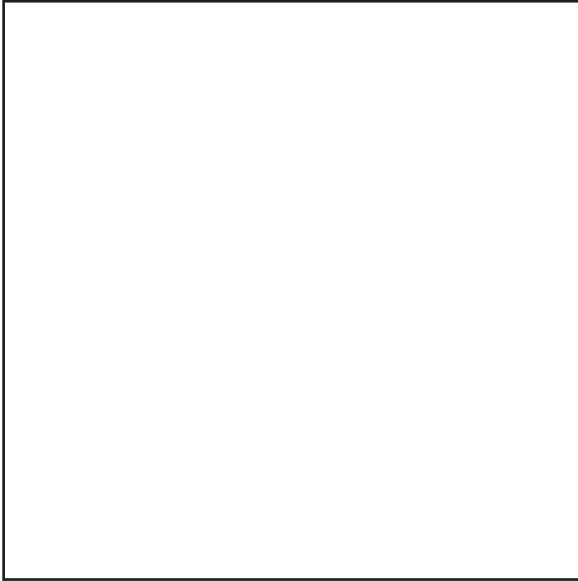

A color that makes you feel brave

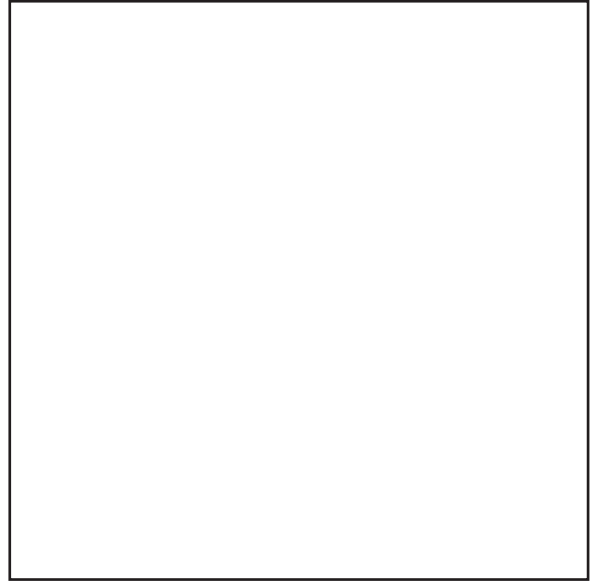

A friend's favorite color

Draw Your Day

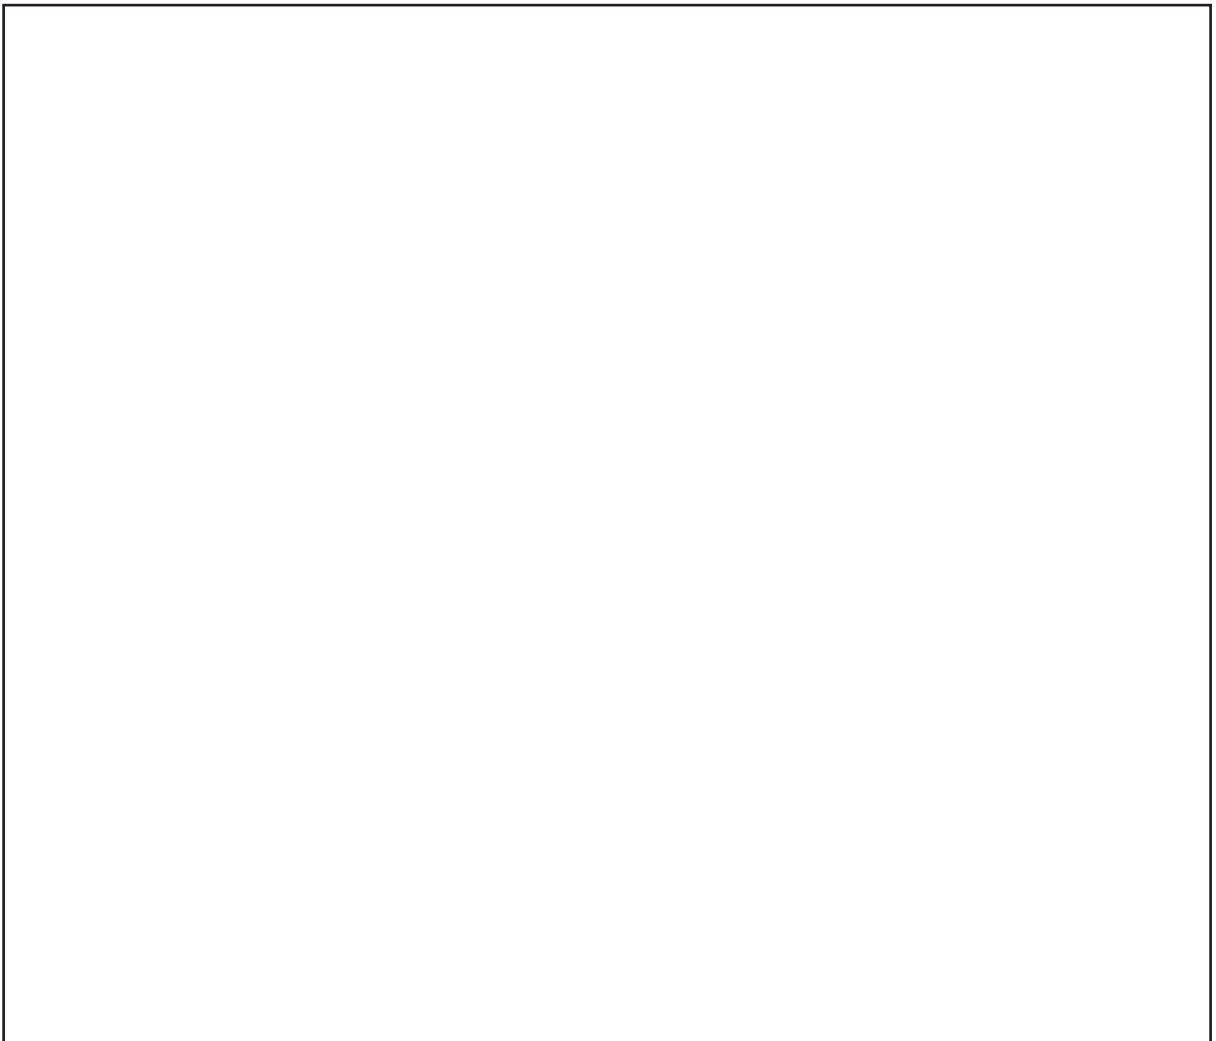

Today I feel:

A large, empty rectangular box with a thin black border, intended for a child to draw their feelings.

Outside, it's:

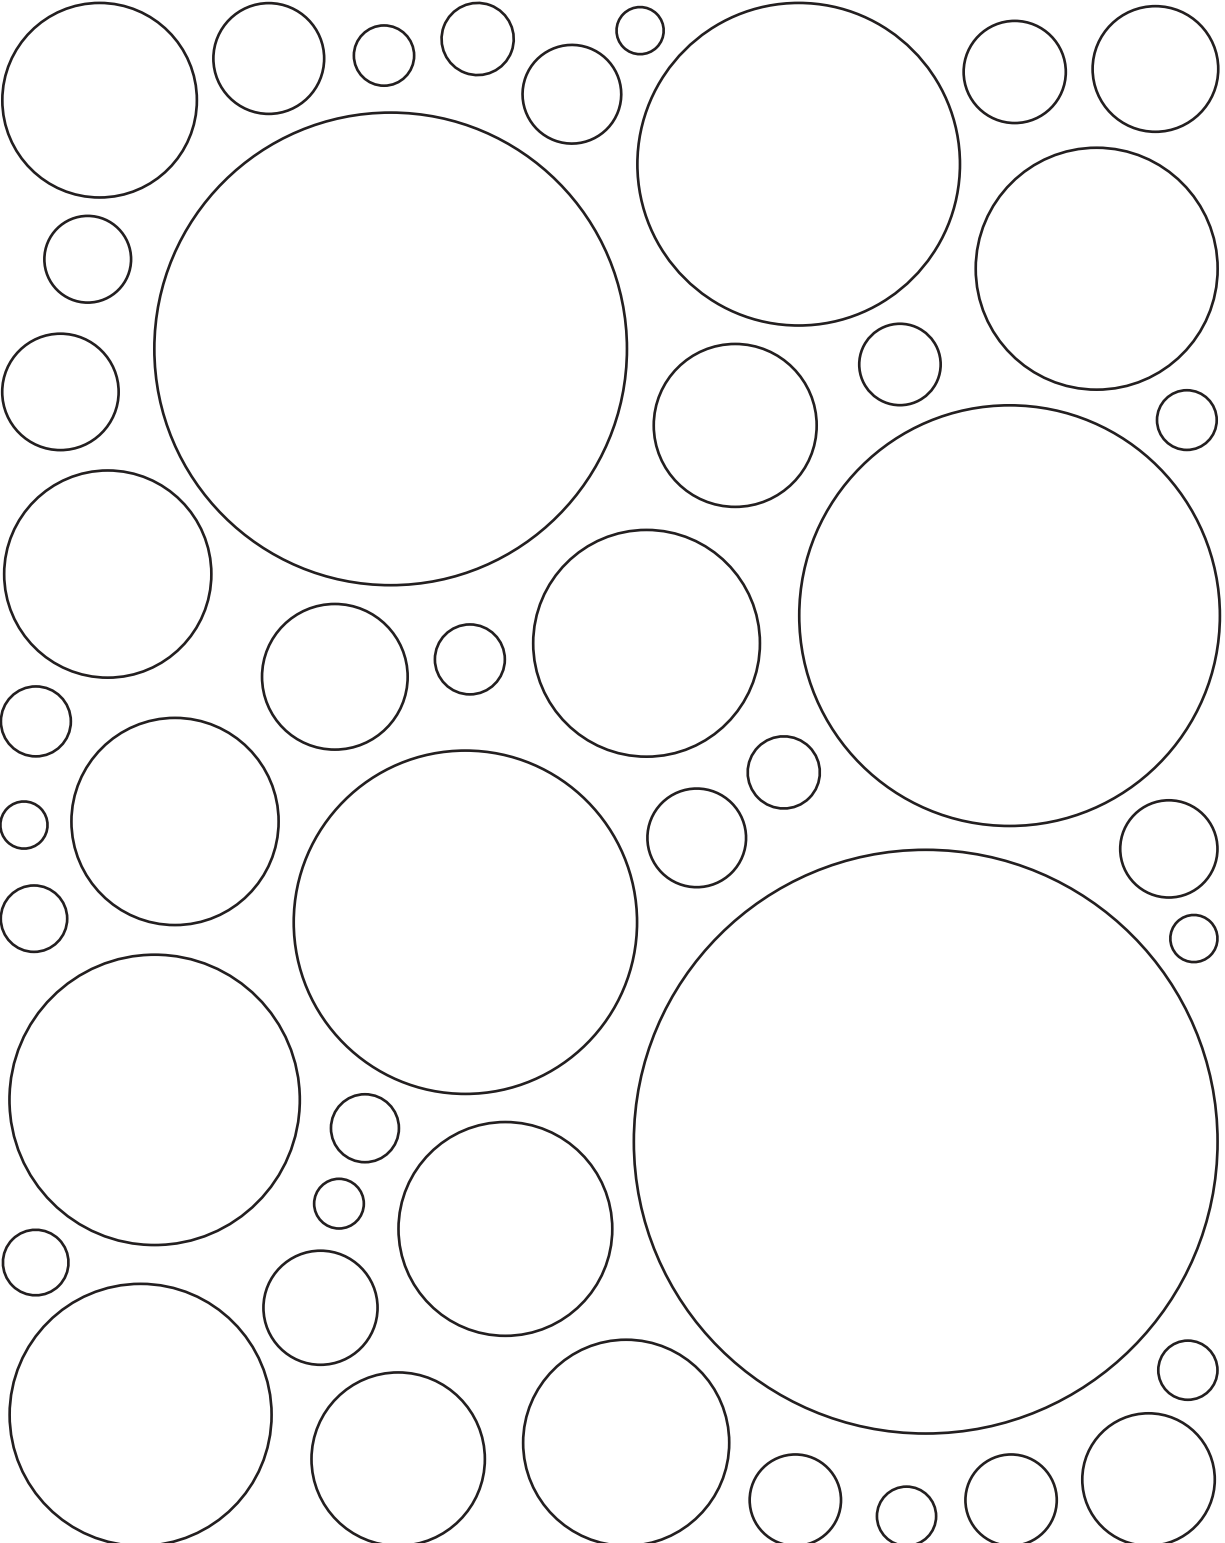

A large, empty rectangular box with a thin black border, intended for a child to draw the outdoor environment.

I want to:

A large, empty rectangular box with a thin black border, intended for a child to draw what they want to do.

Shape Shifters

Big circles, little circles, and circles in-between: what do they look like to you? Using these shapes as a base, add your own drawings to bring them to life.

Trace & Reinvent

Find something that fits within the space below. Trace it, and then make it into something new. For example, add wings to the outline of a crayon to make it a butterfly!
