

# GYALI 125

FREESTANDING BATH | ACRYLIC

## Freestanding bath with built-in overflow

The soft organic form of this sleek, elegant bath is beautifully proportioned and will suit both contemporary and classic spaces. The generous size and subtle high back of the Gyali bath make it perfect for a luxurious bath experience.

- seamless design
- white sanitary grade acrylic, high gloss finish
- excellent heat retention properties
- adjustable support feet
- fits 40mm waste
- built-in overflow, polished stainless steel slit overflow included as standard

ORDER CODE 191541 Gyali 125, 1700 long old code: SBT-125

OVERFLOW Built-in overflow included, stainless steel slit

WASTE Suits 40 mm overflow waste (not supplied)

INSTALLATION The bath can be installed using a flexible connector pipe (not supplied).

The bath is supplied with four adjustable support feet on the base frame of the bath. Position the bath and use the adjustable feet to level the bath. Leave a 3mm void between the base of the bath and the floor. Use silicone around the base to seal the bath to the floor. Allow a 20mm gap in the silicone seal as a weephole (gap is designed to reveal any plumbing leakage).

Use acetic cured silicone sealant. Do not use epoxy type adhesives.

Always use the actual product to verify placement.
