

Code of Conduct Policy

Calgary Canoe Club (CCC) athletes participate in Alberta Sprint Racing Canoe Association (ASRCA) and CanoeKayak Canada (CKC) sanctioned events, hence we promote and adhere to the CKC Code of Conduct Policy.

The full Code of Conduct Policy from **CanoeKayak Canada** can be found here:

The Calgary Canoe Club may establish a Code of Conduct for specific events. Athletes participating in that event (such as a training camp or away regatta) will be asked to sign the code of conduct.

Otherwise, we expect all CCC athletes to be familiar with the CKC Code of Conduct and to represent the CCC with a standard of behavior characterised by honesty, fairness, mutual respect, and good sportsmanship.
