

Large beaded bead

with Matubo 7/0 and Superduo beads

Material:

- Matubo 7/0 beads (42 pcs)
- Matubo Superduo beads (48 pcs)
- 4 mm round beads (6 pcs)
- Acrylic or wooden round bead, 14 mm in diameter
- Beading needle
- Nymo or Fireline thread

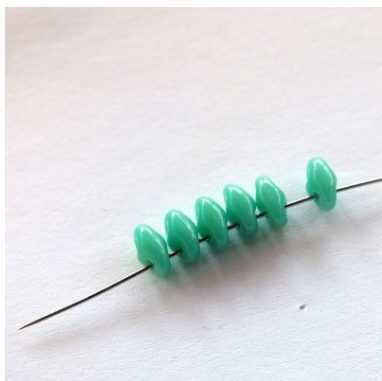

Optional:

- 11/0 and 15/0 seed beads
- Various kinds of small beads (like 3mm or 4mm rounds or 5x8 mm spikes)

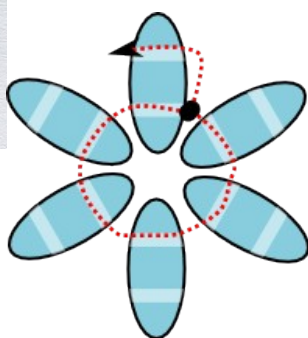

Difficulty: Intermediate

Technique: Peyote stitch

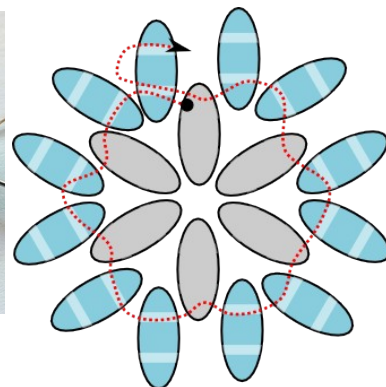

1) String six Superduo beads and slide them to the end of the thread.

2) Tie a few square knots to form a "cross". Then pass through the upper hole of the nearest Superduo.

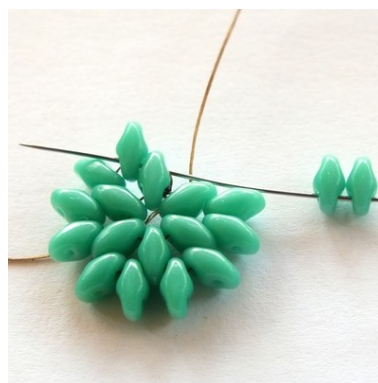

3) Add two Superduo beads and then go through the upper hole of the next Superduo in the row.

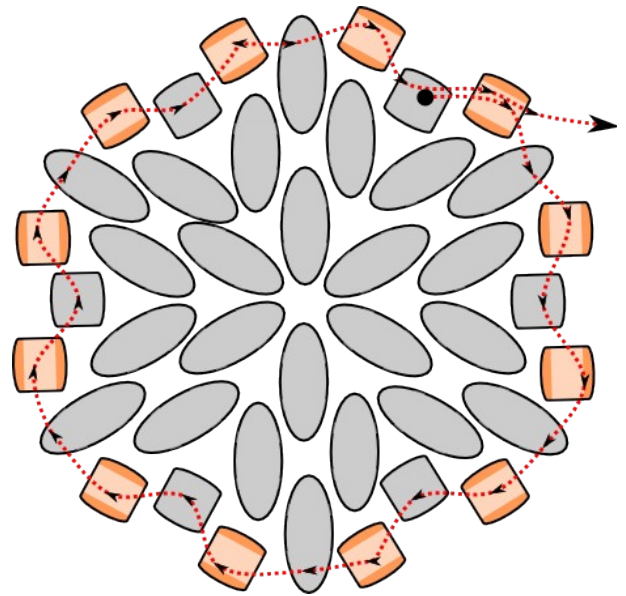

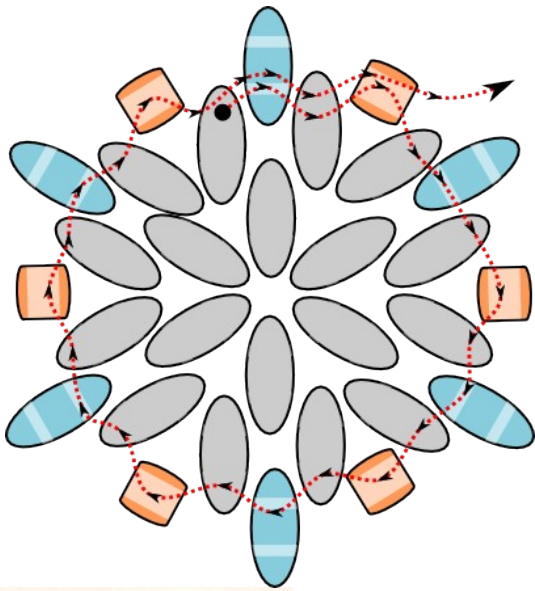

4) Repeat the previous step until you reach the end of the row.

Then do the step-up:
When adding last pair of Superduos, go through the upper hole of the last Superduo in the previous row and then through the lower hole of the first Superduo of this row.

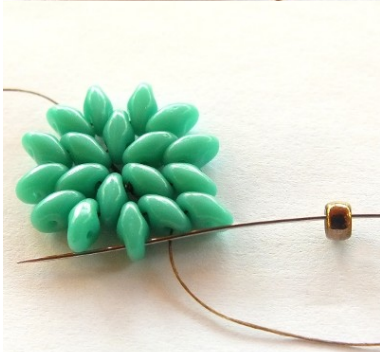

5) Then go back through the upper hole of the same Superduo. Direction of your beading will change.

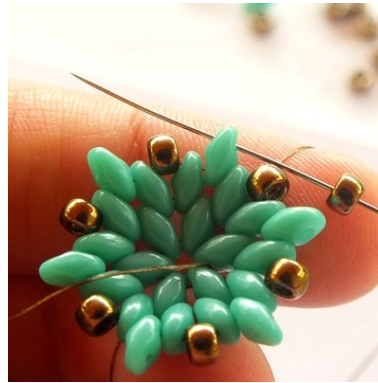

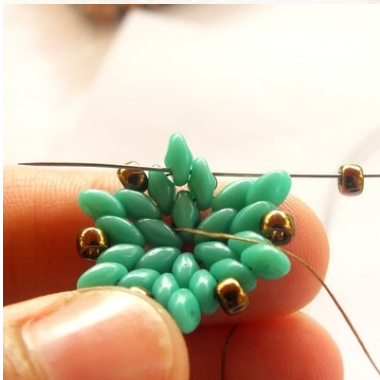

6) Add one Superduo bead and then go through the upper hole of the next Superduo from the previous row.

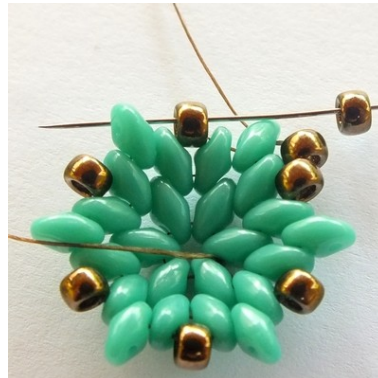

7) Add one Matubo 7/0 bead and then go through the upper hole of the next Superduo from the previous row.

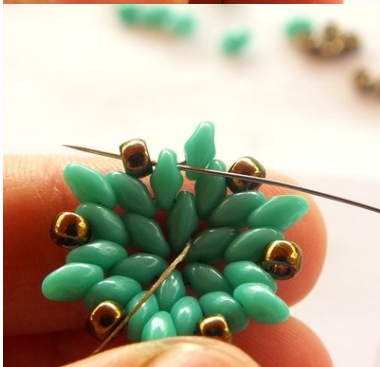

10) Add one Matubo 7/0 bead and then go through the upper hole of the next Superduo from the previous row.

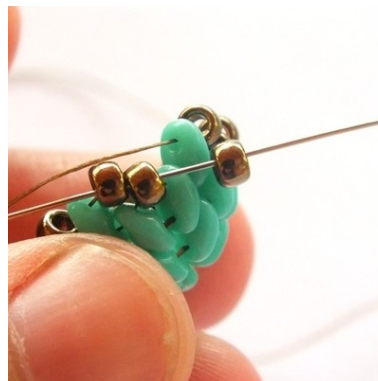

8) Repeat steps 6 and 7 until you reach the end of the row.
At the end of the row, you need to go through the upper hole of the last Superduo in the previous row and then through the lower hole of the first Superduo of this row ...

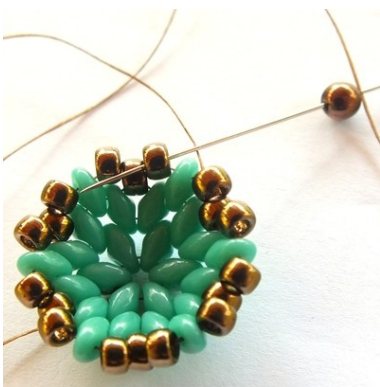

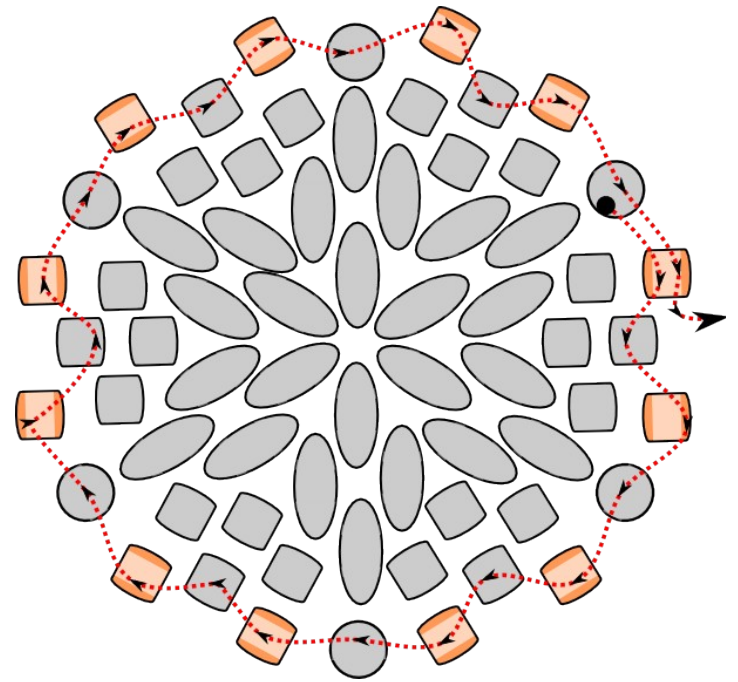

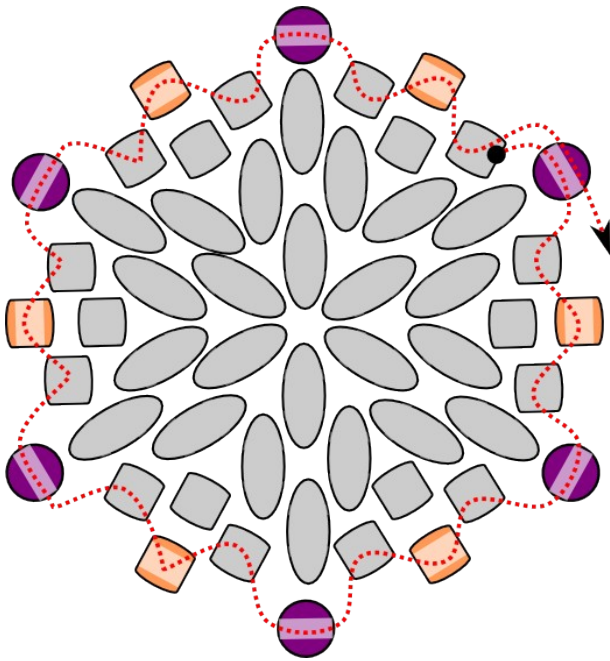

11) Add one Matubo 7/0 bead and then go through the next Matubo 7/0 bead.

9)... and then go back through the upper hole of the next Superduo and through the next Matubo bead.

12) Repeat steps 10 and 11 until you reach the end of the row.
At the end of the row, you need to do the step-up by going through two Matubo 7/0 beads.

13) Add one 4mm round bead and then go through the next Matubo 7/0 in the row.

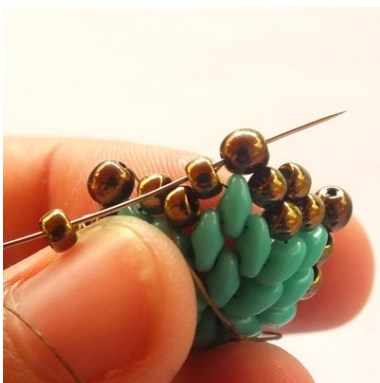

16) Add one Matubo 7/0 bead and then go through the next Matubo 7/0 in the row.

14) Add one Matubo 7/0 bead and then go through the next Matubo 7/0.

17) Add one Matubo 7/0 bead and then go through the next 4mm round bead.

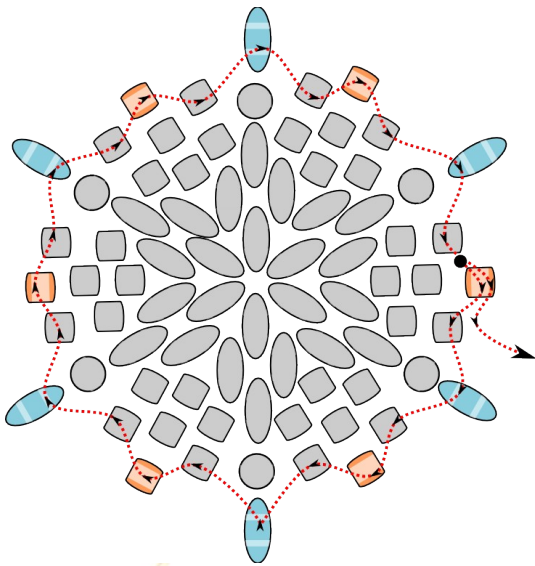

15) Repeat steps 13 and 14 until you reach the end of the row.

At the end of the row, you need to do the step-up by going through one Matubo 7/0 bead and then also through the 4mm round bead

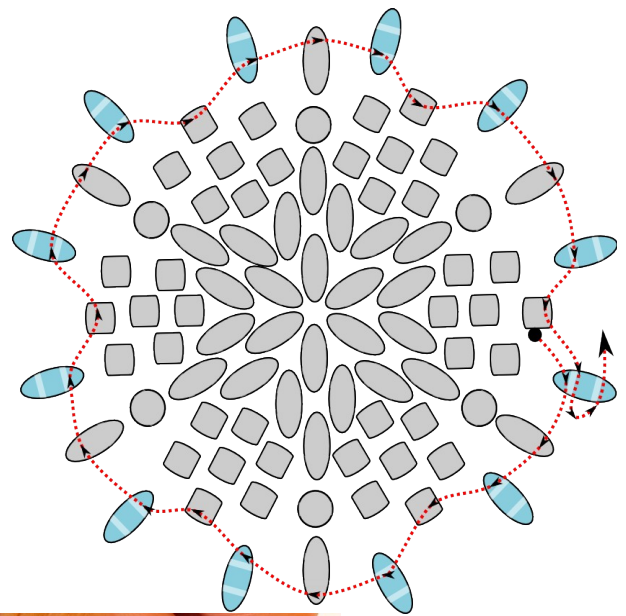

18) Repeat steps 16 and 17 until you reach the end of the row.

At the end of the row, you need to do the step-up by going through the 4mm round bead and then also through one Matubo 7/0 bead.

19) Add one Matubo 7/0 bead and then go through the next Matubo 7/0.

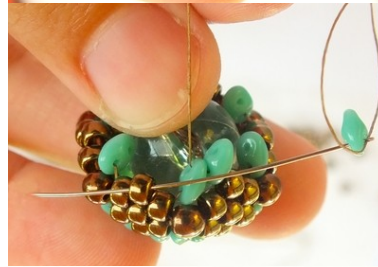

23) Add one Superduo bead and then go through the upper hole of the next Superduo beads.

20) Add one Superduo bead and then go through the next Matubo 7/0.

24) Add one Superduo bead and then go through the next Matubo 7/0.

21) Repeat steps 19 and 20 until you reach the end of the row. At the end of the row, you need to do the step-up by going through two Matubo 7/0 beads.

25) Repeat steps 23 and 24 until you reach the end of the row. At the end of the row, you need to do the step-up. Pass the needle through one Matubo 7/0 bead and then through the lower hole of the next Superduo bead.

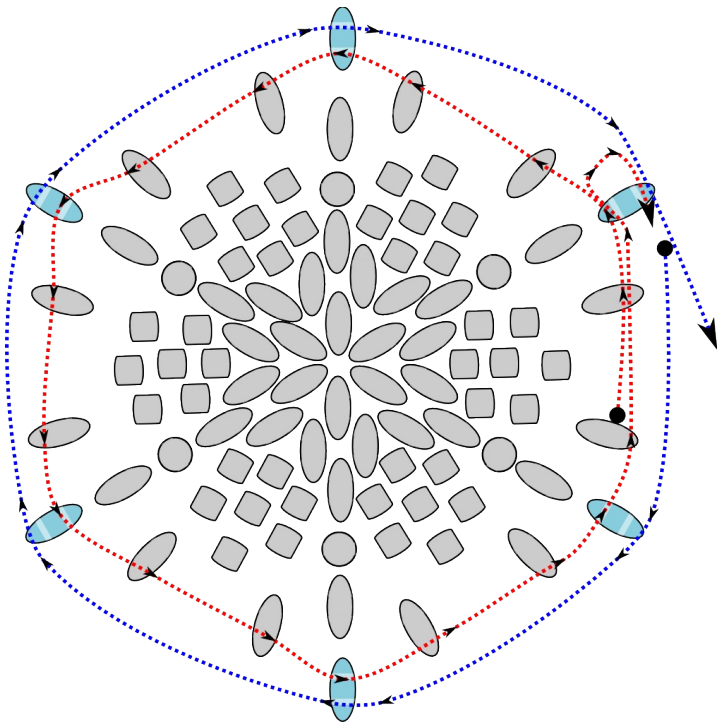

22) Now insert the core bead.

26) Then pass the needle back through the upper hole of the next Superduo

30) Then go back through the upper hole of the same Superduo.

31) Now pass through the upper holes of all the four Superduos added in the previous row. You will not be adding any new beads in this step. Keep your tension tight. Tie a few half-hitch knots and cut off the remaining thread.

27) Now go through the upper hole of the next Superduo. You will not be adding any new beads in this step.

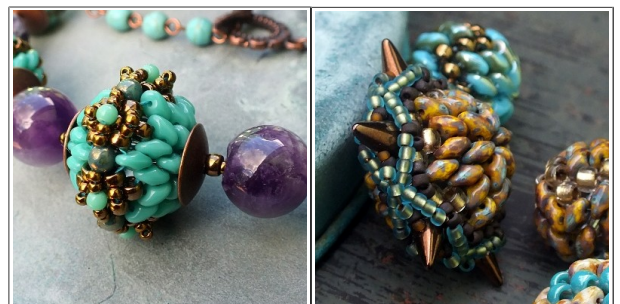

28) Add one Superduo bead and then go through the upper hole of the next Superduo.

Finished beaded bead

29) Repeat steps 27 and 28 until you reach the end of the row. At the end of the row you need to go through the upper hole of the last Superduo in the previous row and then through the lower hole of the first Superduo of this row.
