## ENDORSEMENTS

“I use Terre Botanicals Culinary Essential Oils exclusively to ‘perfume’ my macarons. You can tell instantly by the intense smells and flavors that these are the very best available.”

– Eugenia Theodosopoulos {Chef Owner, Essence Bakery}

“Terre Botanicals complements are AMAZING for cocktails and drinks. 90% of flavor comes from the nose; they add a lot of depth in flavor to any drink. They are unique and the perfect olfactory touch to any cocktail or beverage.”

– Kim Hassarud {Mixologist Owner, Liquid Architecture}

“We have had the great pleasure of working with Terre Botanicals from the very beginning. We have used their whole plant aromatics as a spring board for many of our recipes, provisions, and drinkables. For example, our Oatmeal Peppered Chocolate Chip Cookie is one of our top sellers. While developing our signature recipe, we wanted a cookie that was savory and peppery with a real depth of flavor... I could go on and on.”

– Traci Zitzer {Chef Owner, Urban Table/Modern Day Forager}

“Terre Botanicals’ sugars are literally THE ESSENCE OF FRANCE. We use them often here at the Boho Farm whether it is in our jams, drinks or desserts. They never disappoint!”

– Caroline Van Slyke {Owner, BOHO Farm & Home}

“Terre Botanicals transforms simple, quality ingredients into something unique and delicious.”

– Claudio Urcioli

“Heaven...The Sweet Orange sugar smells wonderful, tastes even better and gives a fabulous flavor to my Raspberry Tart.”

– Sarah H. {Blogger, Bits & Boxes}
