GOLF & LEISURE

Golf is New Zealand's biggest participation sport, and *The Cut* is the country's leading golf magazine — now even bigger and brighter. Attractive and authoritative, *The Cut* contains a great mix of features, profiles, course reviews, golf travel destinations, equipment news, and tuition tips by top professionals and leading golf writers. Columnists include Steve Williams — former caddy for Tiger Woods and Adam Scott — as well as radio host Brendan Telfer, and psychologist Matt Richardson.
