Week Number Three

1. Follow the “Assembling the Block:” instructions on Page 2 of the pattern to create 36 blocks.
2. If you haven’t already, cut out your black (background fabric) as noted on Page 1 in the pattern. Using either the template provided or a 60 degree triangle ruler.
3. Week Number Four we will work on the border units.
4. If you are choosing to do the Mini version, print off the appropriate amount of foundations to make 36 blocks.
