## Supply List and Pre-class Instructions

**Certified Instructor: Jackie Kunkel**

***Pre-cutting the fabrics is a mandatory requirement*** prior to taking this course. Please begin preparing for class at least 2-WEEKS prior to the class to make sure that you are able to get familiar with your pattern and complete the pre-cutting beforehand. It is important that you have your pre-class cutting **completed**. If this step is not completed, you will have a very difficult time keeping up and participating in the instruction. I recommend reading through your entire pattern before beginning.

***Prior to class, I would like to see the following:***

- 1) That you have read and familiarized yourself with all parts of the pattern booklet. The beginning of this booklet covers your fabric selection, layout, fabric sorting, organization, and cutting instructions for your foundation units and template layout sheets.
- 2) Please follow the cutting instructions as given on pages 3-4. If you have never followed my cutting instructions before, it will likely be helpful for you to contact the shop or your instructor with any questions you might have BEFORE you begin cutting your fabric.

***CORRECTIONS: PLEASE*** visit [www.quiltworx.com](http://www.quiltworx.com) prior to class and make sure that you have the latest corrections for the pattern. They are listed under products then corrections. If your pattern has a QR Code printed on the back, you may also scan this with your smartphone to go directly to the page and upload the corrections to your phone.

***MY WORD OF ADVICE:*** This class is about paper piecing, not cutting. If you do not come to class with your cutting complete, you will not have an opportunity to do any piecing during the workshop. The cutting for this quilt takes time and organization and you will be behind the rest of the class without these steps COMPLETE!

The following items are needed to make this quilt. Please make sure you bring the following items to class if they will not be provided by the organizer. They are essential to the techniques I teach:

Sewing Machine with a quarter-inch foot and Accessories

Iron ~ Usually provided in Classroom

Ironing Board ~ Usually Provided in Classroom

One piece of Template Plastic (3" by 12" piece)

12" Add-a-quarter ruler
