# specdrums MYSTERY MELODIES

Look - no lyrics, no notes, just colored dots. Tap the dots to identify the songs.

- Play the dots from top to bottom, left to right. Play the dot twice when you see "x2".
- Experiment with different rhythms until you get it right.
  - **Hint:** the same songs are used in the same order on the At First Sight cards.
- When you recognize the song, label it and then move on to the next one!

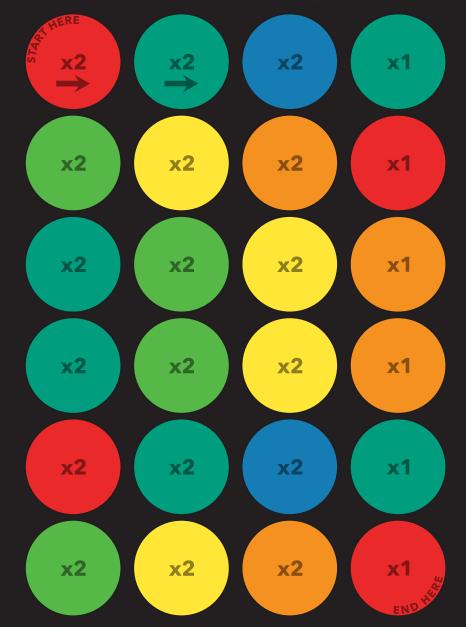

#### **EXTENSION:**

Use the stickers and Mystery Melody template to create your own mystery song!
