

GlucoEmpreinte Cranberry Mask

protective & anti-ageing

Ref. H29

With its high content in sugar, our peel-off range **GlucoEmpreinte is the ideal base for soft treatments with delicate satin-like touches**. Glucose gives suppleness and comfort for the skin while combining harmoniously with our aromatic & oceany treatments (seaweed, fruits and plants) to recharge the body in minerals, vitamins & trace elements.

GlucoEmpreinte cranberry is a comfort mask ideal to protect the skin from external environment and early skin ageing. Our cranberry fragrance leaves also the skin slightly perfumed.

Protective activity

Rich in omegas 3 et 6, cranberries strengthen the cutaneous hydrolipidic film so as to maintain an optimum moisturizing level. Better protected, better hydrated, the skin recovers also its softness.

Anti-ageing activity

Polyphenols & tocotrienols contained in the cranberries have a strong anti-oxidant power. They fight against free radicals to better prevent cutaneous ageing.

Face peel-off, cranberry, sugar, purifying, revitalizing

Dose: 50 g of powder and 50mL of water.

Pour all the water at once on the powder, stir quickly and vigorously during one minute to get a homogeneous paste.

Important: use water at 20°C.

Apply the paste immediately to the face. The mask sets in 6 minutes following the application.

Leave the mask to perform its function at least 15 minutes.

Remove it by peeling off in one whole piece

Use before: 24 months

Growing under harsh climatic conditions, cranberries synthesize effective ingredients, enhancing skin protection.
