

VAPamore<sup>®</sup>  
THE LOVE OF STEAM

Product Line \_\_\_\_\_

## More of Everything... Except the Price.

Vapamore's flagship steam cleaner, the MR-1000 Forza Commercial Steam Cleaning System. The Forza is the pinnacle in commercial grade, professional steam cleaners. With over two years in development, the engineers at Vapamore set out to create the absolute best steam cleaner available. Performance, durability, and value were top priority when developing the Forza.

MR-1000 Forza features, commercial grade steel construction, continuous flow, computer controlled operation, specially designed extra large stainless steel boiler with 1900 Watt heater, 90 psi steam output pressure, Vapamore lifetime warranty and the largest selection of included accessories.

## Small Size *Big Performance...*

The MR-750 Ottimo is the ultimate in steam cleaning for heavy-duty home use or light-duty commercial use. Ottimo, which means “Ultimate” in Italian, perfectly describes the performance and power of the MR-750 Ottimo. Years of development and customer feedback went into the development of the Ottimo to bring commercial power to a machine in a small light package.

Don't let the small size fool you - like its big brother the MR-1000 Forza, the Ottimo is designed to be used in extreme-duty residential and entry-level commercial applications. Lightweight, easy to move and easy to store, the Ottimo utilizes a powerful 75 psi steam pressure and the largest boiler tank available. The Ottimo features a working time of up to 3 hours on a single tank, ensuring the Ottimo can handle any job.

## Wet / Dry Steam Vac

- Hand Held Wet / Dry Vacuum & Steamer
- Removes Set-in or Wet Stains and Odors
- Removes Spots From Carpet & Fabric
- Instant On High Temperature Steam

## The **Only Hand Held** Wet/Dry Steam Vac...

The Vapamore MR-50 Steam Vac is the only portable wet / dry vacuum and steam cleaner combined into one easy to use tool. It's great for removing wet or set in pet stains and odor. It cleans spills instantly before stains set in. The steam function can be used to remove set in stains and spots from carpeting and upholstery.

The steaming function provides two operating modes, instant high temperature dry vapor steam for general cleaning, or the wet steam mode for set in stains and spills. It can be used as a conventional portable wet / dry vacuum, without having to use a big and bulky shop vac.

### INCLUDES:

2 x Dust Collection Filter  
Carpet & Upholstery Brush  
Smooth Surface Squeegee  
Steam Outlet Tool  
Measuring / Filling Cup

## Where Quality and Power Meet...

Vento meaning “wind” in Italian, was the inspiration of the new MR-500 Vento Canister Vacuum System. The team at Vapamore spent 2 years developing the ultimate canister vacuum with features that meet and surpass competitors’ vacuums selling for more than twice the price.

Quality, power, value and the Vapamore lifetime warranty are all hallmarks of the Vapamore MR-500 Vento Canister Vacuum System.

The Vento features 1400 watts of total cleaning power, adjustable suction controls, electric rotating brush, extra board tool storage, and the largest selection of included accessories of any other vacuum on the market. Get asthma under control by returning the recycled air into the room 99.97% free of pollen, dust mites, pet dander, mold, bacteria and all other allergens.
