

BioVate Air fresh neutraliser concentrate

ABOUT THIS PRODUCT:
High performing bacterial formulation that removes odours from surfaces, fabrics and carpets.

- Biotechnology based versatile spray leaves lovely fresh fragrance
- A concentrated odour counteractant that removes the source of the odour.
- Effectively deals with unpleasant fragrances instead of just masking them and leaves a long last fragrance.
- Particularly effective around toilets, urinals, clothes, carpets and soft furnishings.

HOW TO USE:
Dilute in spray bottle to ratio stated on the label, then spray 3 to 4 times into the room, if odours persist then repeat.
