PROFESSIONAL SUPPLIES

Introduction to Professional Supplies

Your partner in hygiene for the perfect clean

Bidfood Catering Supplies have created a one-stop cleaning shop under the Professional Supplies brand.

The Professional Supplies portfolio delivers a comprehensive range of chemicals specifically developed to answer your needs and all are manufactured in the UK.

Our chemicals are formulated to get the very best cleaning results, whatever your business may be. We've developed chemicals that tackle specific issues and we can tailor a range of products to match your cleaning requirements. Bidfood are a national operator with depots covering all of the UK, providing flexible frequent deliveries to your business.

Environmental responsibility

Our products take into consideration our responsibility to the environment, ensuring that where possible, the products aim to reduce environmental and human health impacts in comparison with standard products.

Professional Supplies chemicals are a powerful and efficient range of products for both the professional catering and housekeeping sectors, maintaining cleaning performance whilst reducing our environmental footprint.

All of our products are:

-  **Contain recycled content in their packaging**
-  **Use natural origin materials where possible**
-  **Phosphate Free Formulations**
-  **NTA Free**
-  **Not tested on animals**

PROFESSIONAL SUPPLIES

CATERING

PRO1 WAREWASHING

Machine Dishwashing

PRO SUPPLIES DISHWASHER DETERGENT

Non Foaming. Caustic free formulation. Suitable for all dishwashers and water conditions.

• Code 97480 • Pack Size 2x5L

Sustainable Properties

Carton 100% Recyclable
PCR Bottle 100% Recyclable
Cap Recyclable: Check local authority

PRO SUPPLIES ADVANCED WAREWASHING DETERGENT

Suitable for all dishwashers and water conditions. Excellent soil and stain remover. Highly concentrated.

• Code 06900 • Pack Size 2x5L

Sustainable Properties

Carton 100% Recyclable

PROFESSIONAL SUPPLIES

HAND HYGIENE STEPS

Effective Hand Hygiene is key to minimising the risk of infection

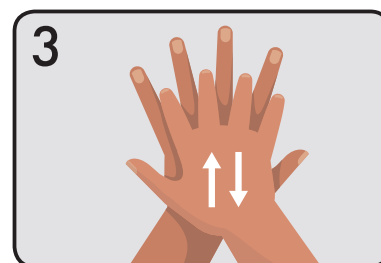

FOLLOW THESE SIMPLE STEPS:

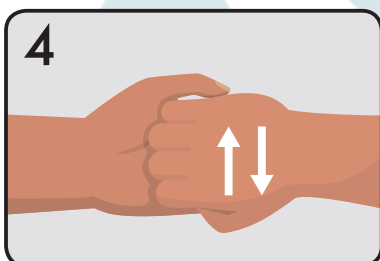

Wet hands and apply soap

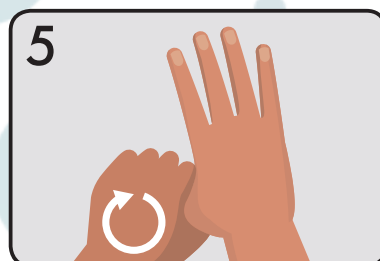

Rub hands palm to palm

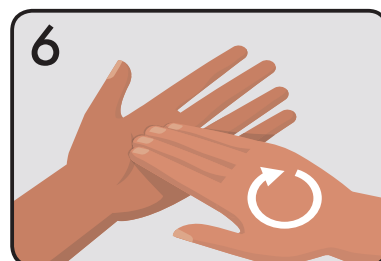

Fingers interlaced, rub palm to palm and then right palm to back of left hand and vice versa

Cusp back of fingers into opposing palm and rub side to side

Clasp right hand around left thumb and rub thumb in rotational manner and vice versa

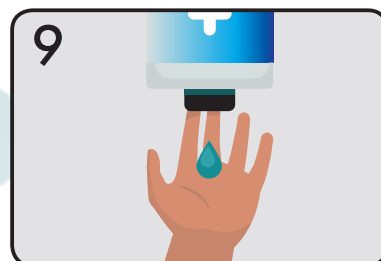

Rub in a rotational manner backwards & forwards by placing fingertips of right hand in left palm and vice versa

Rinse hands under running water

Dry hands thoroughly

Sanitise your hands by rubbing them together, covering all surfaces, including between your fingers and around fingertips and nails

Product information sheets can be found on:
www.bidfoodcateringsupplies.co.uk
