

ADVANCED Warewashing Detergent

Product Code: **06900**

A highly alkaline chlorinated auto-dishwashing detergent specially formulated to provide excellent soil and stain removal from crockery, in both soft and hard water conditions. Its oxidising ingredients provide effective, fast removal of tannin stains. Rapidly removes fats, starch and proteins. A highly concentrated formulation to give greater economy in use. Contains special ingredients to prevent the scaling of dishwashing machines, even in hard water areas.

Uses: Suitable for use via dosing equipment and all automatic commercial dishwashing machines.

DIRECTIONS FOR USE:

The product is designed for use only with an automatic dosing system. Do not use for hand dishwashing.

HEALTH & SAFETY:

Causes severe skin burns and eye damage. Do not breathe vapour/mist. Wear eye protection/protective gloves/protective clothing. IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTRE/doctor. Dispose of contents/container in accordance with local regulation
