

# Tork PaperCircle

The world's first recycling service for paper hand towels

### What's in it for you?

Tork PaperCircle® helps companies to reach their sustainability targets on waste and carbon reduction, enabling them to be a part of the circular society. It aims to cost no more than disposing the used hand towels in the general waste.

Reduces the carbon footprint by at least **40%\*** and cuts waste by **20%\*\*** compared to other waste handling options

**“Tork PaperCircle establishes us as a recycling pioneer among German companies”**

**Dirk Middelma, Corporate Real Estate Management, Commerzbank**

### Winner of:

### Acknowledged by:

\*Results from a Life Cycle Assessment conducted by Essity, Tork and verified by IVL, Swedish Environmental Research Institute Ltd, 2017, where the avoided processes have been taken into account

\*\*Based on results from Tork PaperCircle® pilot customers in Germany and The Netherlands
