Founded in 2006, The Cheese School of San Francisco is the only independent institution of its kind in the nation. We are devoted to helping you maximize your enjoyment and appreciation of cheese. Our philosophy is “eating is learning,” and we treat our guests to a cornucopia of education and tasting opportunities. Join us for a cheese plate and glass of wine, pick up cheese and charcuterie for a picnic or delicious dinner in, have us cater your party, or settle in for a tasting or hands-on class. Ask a staff member for details or find more information online. Thank you for visiting!
