

# Chamber Vacuum Sealer

Constructed with a high quality oil pump to vacuum seal at high speeds and pressure

Its compact size makes this suitable for commercial or household use

Easy to read pressure indicator

Heavy-duty transparent lid

Effectively vacuum seals liquid and wet food items to extend its shelf life

Adjustable cycling and sealing time

Maximum bag width: 390mm(DZ400/ZT)

490mm(DZ500/2E)

Model	Ext. Dimensions (in)	Chamber Depth(in)	Max bag Width(in)	V/hz/Ph	Power	G.W.	Net Weight
DZ400/ZT	19.75x19.3x19.75	66mm	390mm	110V/60Hz/1	1800W		170lb
DZ500/2E	23x25.5x35.3	70mm	490mm	110V/60Hz/1	1800W		215lb

# Chamber Vacuum Sealer

## Features

Constructed with a high quality oil pump to vacuum seal at high speeds and pressure

Its compact size makes this suitable for commercial or household use

Easy to read pressure indicator

Heavy-duty transparent lid

Effectively vacuum seals liquid and wet food items to extend its shelf life

Pressure: -29.8"Hg/-1012mbar (directly in pump)

-29.8"Hg/-1009mbar (in vacuum chamber)

Model	Size (in)	Seal wire width	Max bag Width	V/hz/Ph	Power	G.W.	Net Weight
C15F	13x19x14.25	5mm	260mm	110V/60Hz/1	1000W	67lb	62lb
C25	19.5x22.3x18.6	3.5mmx2+3.5mmx2	432mm	110V/60Hz/1	1180W	170lb	121lb
