

# Ice Maker

This commercial ice machine produces enough ice for a commercial kitchen, bar, hotel cafe, supermarket or restaurant. Digital control panel shows status of ice production.

- Air Cooled
- Vertical water delivery system
- Stainless Steel
- Storage bin with automatic shut-off when bin is full
- Built-in ice storage bin (IC-120BA,IC-160BA,IC-210BA,IF-264BA)
- Modular ice machine, separated from the ice bin(IC-350MA/300 ,IC-500MA/400,IF-500MA/300)
- Adjustable leveling feet
- Self-clean system
- Adjustable ice thickness
- Makes cube shaped ice (IC-120BA,IC-160BA,IC-210BA,IC-350MA/300 ,IC-500MA/400 )
- Makes flake ice (IF-264BA,IF-500MA/300)
