

BERLIN GREEN

At **BERLIN GREEN** we believe that green homes are the future of urban development. We want to change the places we live in – from dark urban apartments into **healthy and green spaces**. We have created a technology that enables **everyone** to grow fresh herbs and greens easily. We believe that combining technology with the magic of nature is the right path to go.

We are now looking for a **Head of Growth & Finance** (f/m/d) to join our team and to support us in creating a strong brand for BerlinGreen.

Your Tasks:

- Analysing cash-flow streams
- Optimizing expenses and income
- Strategic budgeting
- Fundraising and coordinating grant applications
- Day-to-day budget controlling
- Monthly financial reporting
- Communication with the accounting/tax advisor and bank
- Monthly inventory control and comparison with the sales plan in consultation with the supply chain manager
- Monthly production control and comparison with the sales plan in coordination with the production manager
- Working closely with founders and marketing team + full ownership of projects (!)

Qualifications:

- Experience as project manager or product owner from software house is a big plus
- Background in economics or accounting is a big plus
- Willingness to travel regularly in Poland and Germany
- Languages: English, German, Polish

Sounds like a fit?

Please send your CV, Portfolio with your projects, salary expectations and your earliest possible starting date to olga@berlingreen.com. As we want the best people who can take full ownership of the growth and finance of the company, participation in ESOP is also an option. We cannot wait to meet you!
