

EVEN EASIER TO LOAD

We redesigned our best-selling model and broke it down into 3 easy to load pieces, all capable of fitting in the back of any vehicle. No need for specialty transport vehicles, vans, or expensive lifts.

Your New Best Friend for Personal Mobility

You've waited long enough. It is time to see your friends and family, explore new places, maybe even travel to far off destinations, and it is all possible in our new CITY 2 PLUS. We've made our Best Selling CITY model even more convenient for you or your loved ones to fold, load, and go. It is time to get out there again. It is time to **join the Travel Buggy family.**

Easy to Fold and Transport

Folds quickly like a lawn chair to the size of a suitcase for convenience transport in any vehicle or for storage.

1-Step Fold Sequence

Net weight
58 lbs

Fits any vehicle

Will Travel!

Travel Buggy electric wheelchairs do not require any additional travel batteries or approvals like other "Travel Chairs". Our LiPo batteries are rated for safe airline travel by TCCA (CA), FAA (US) and various other aviation authorities.

Intelligently Designed

Our Travel Buggy electric wheelchairs are intuitive to drive and convenient to manage.

Multi-position reclining back rest (up to 115°) to relieve back pain & ensure comfortable all-day use

Batteries are easy to remove for airline travel

Entry and exit is made easier by a fold-away footrest & raiseable arms for optional side entry

Drive with Confidence Indoors and Outdoors

Do more indoors and outdoors with our CITY 2 PLUS model. Designed to handle what the outdoors can bring plus works great in tight spaces.
