ALL NATURAL DOG TREATS COLO. USA

## 6" - 9" MINIBULL STICKS

**Ingredients:** 100% beef pizzle.

**Description:** These minibulls are made from the very tips of beef pizzle, so it's a thinner and lighter chew compared to bully sticks made from the thick base of the pizzle.

**Recommended for:** Dogs of all life stages, especially those under 20lbs.

**Chew Time:** A moderate chew for smaller dogs, a quick chew for medium to large dogs.

**Sales Tips:** This inexpensive and odorless chew is a good option to keep by your cash registers for those impulse purchases. If your customer has a dog with them, ask them if they want to take a treat for their dog ("one for the road!") Since this treat is so small, it's a great recommendation for toy breed dogs. This chew is softer than a bully stick (some of the smaller pieces can be broken in half by hand), so they're good for customers who are worried about other chews being too hard.

**Country of Origin:** Brazil

**Other Ways to Purchase:** Available in an 6oz bag, a 5-count 6" bag, a 9" length (bulk), a 5-count 9" bag, and a 6oz 9" bag.
