ALL NATURAL DOG TREATS COLO. USA

6"-12" BRAIDED GULLET

Ingredients: 100% beef esophagus.

Description: This treat is made of three beef gullets (esophagus) that have been washed, braided together and then baked.

Recommended for: 6" Length: Small to medium sized dogs under 30 lbs, 12" Length: Medium to large breeds over 30lbs.

Chew Time: This is a moderately lasting chew for medium sized dogs, and a long lasting chew for small breeds.

Sales Tips: This chew is softer and a little easier to digest compared to a bully stick, so it's a great recommendation for customers who are concerned about harder chews or customers with dogs that have missing teeth or other dental problems. This chew is much more palatable than a bully stick, so it's perfect for those picky dogs who are discerning about what they're chewing.
