

the natural dog company
ALL NATURAL DOG TREATS COLO. USA

6"-12" BEEF TRACHEA

Ingredients: 100% beef trachea.

Description: Each trachea tube is individually shrinkwrapped. It's got a firm and crunchy texture. The waxy substance in between the rings of the trachea is delicious, delicious fat.

Recommended for: Adult dogs, under 30lbs for the 6" length, over 30lbs for the 12" length.

Chew Time: A long lasting chew for small breeds, and a moderately lasting chew for most other dogs.

Sales Tips: The higher fat content of this chew makes it very attractive to all dogs - even the pickiest dogs will go crazy for this treat! The larger tube shape makes this chew a little harder for an enthusiastic eater to gulp down too quickly. You could even stuff some frozen raw food or canned food in the center of the trachea and freeze it to create an even longer lasting treat. Trachea are a natural source of glucosamine.

Country of Origin: USA

Ways to Purchase: In bulk, in a 6" or 12" length.

Guaranteed Analysis:

Crude Protein: >35%

Crude fat: >40%

Moisture: < 10%
