## ODOR FREE BRAIDED MINI BULLS

**Ingredients:** Beef pizzle.

**Description:** We've taken our bestselling mini bulls, and braided 3 pieces together to create a more durable chew. Mini bulls are made from the very tips of beef pizzle, so it's a thinner and lighter chew compared to bully sticks made from the thick base of the pizzle.

Available in 6" as a standard (32 g or less) or large (33 g or more)

Available in 12" as a standard (65 g or less) or large (66 g or more)

**Recommended for:** All life stages and sizes of dogs. 6" braided mini bulls are ideal for dogs 30 lbs or less, while the 12" braided mini bulls are recommended for larger dogs.

**Chew Grade:** Medium. The texture is a little softer and pliable compared to a bully stick.

**Sales Tips:** Ideal for customers who are either looking for an inexpensive alternative to traditional bully sticks, or for customers who prefer chews that are not as hard and dense as a traditional bully stick.
