ALL NATURAL DOG TREATS COLO. USA

## PIG EARS

**Ingredients:** 100% pig ear.

**Description:** This pig ear measures about 4-5 inches long.

**Recommended for:** Adult dogs.

**Chew Time:** This chew will be eaten fairly quickly by most dogs.

**Sales Tips:** Pig ears are a palatable chew that's a great recommendation for picky eaters. Dogs love pig ears due to the higher fat content. This pig ear has a softer, crunchier texture compared to other natural chews such as bully sticks.
