ALL NATURAL DOG TREATS COLO. USA

## TRACHEA BITES

**Ingredients:** Beef trachea.

**Description:** Each trachea bite measures about 2" long, though there will be some variation in size. It's got a firm and crunchy texture. The waxy substance in between the rings of the trachea is delicious, delicious fat.

**Recommended for:** Adult dogs, especially small breeds.

**Chew Time:** A long lasting chew for small breeds, and a moderately lasting chew for most other dogs.

**Sales Tips:** The higher fat content of this chew makes it very attractive to all dogs - even the pickiest dogs will go crazy for this treat! This chew is firm and crunchy and not as dense as a bully stick.

Trachea are a natural source of glucosamine, which may aid in joint health.

**Country of Origin:** USA

**Ways to Purchase:** In an 8 oz retail-ready resealable bag.
