ALL NATURAL DOG TREATS COLO. USA

TWISTED LAMB PIZZLE

Ingredients: 100% lamb pizzle.

Description: Made of two lamb pizzles that have been twisted around each other to form one single piece.

Recommended for: Dogs of all life stages under 40lbs.

Chew Time: A quick to moderate chew for smaller dogs.

Pro Tips: Lamb pizzles are a great alternative for customers with dogs with known beef allergies (since the majority of dog chews on the market are sourced from beef). There is some odor associated with this product, however, that's part of what makes this treat more enticing to picky dogs! This treat is much softer than a regular bully stick, so it's a good recommendation for customers with senior dogs, dogs with missing teeth, or toy breeds.

Country of Origin: Turkey
