ALL NATURAL DOG TREATS COLO. USA

YAK CHEESE WAFFLES

Ingredients: Yak milk, salt, lime juice.

Description: These yak waffles are made from remnants of our Nepalese Yak Cheese Chews that have been crushed and pressed into a waffle shape. Each piece is 1.5" long and 1" wide. The texture is similar to a firm, crunchy cookie. You can use your bare hands to break each waffle into a smaller piece, but it will take a little bit of effort.

Recommended for: All life stages and sizes of dogs.

Chew Grade: This is more of a treat, rather than a chew, and will be eaten quickly.

Sales Tips: An alternative to traditional biscuits, especially suitable for customers who are looking for a grain free or low carb treat. With only three ingredients, this treat may be suitable for dogs with allergies or dogs with sensitive stomachs.
