glass jug with lid

2022
NEW
COLLECTION

The shape of the jugs has been designed to give it its own particular character, a shape which is enhanced by the clarity of the glass that doesn't detract from the hue of your coffee within. As the members of Brewers collection, the new jugs has been designed to work with our existing drippers and stands, also the newly developed lids fit all the old and new jugs, aiding the heat retention and also work as a dust cover.
