

# GHOSTTROPIC

## Step into the light

We love this magical planet we call home, so we plant a tree for every order. We use only low-impact dyed, organic cottons and deadstock fabrics.

We don't use any plastic whatsoever in our packaging or shipping process, and our shipping mailers are 100% recycled, recyclable, and compostable.

We're committed to sustainability, and everything we make is designed and handmade to order in Los Angeles.
