SWEAT-FREE MATERIAL

Designed with a comfortable silicone rolling heater and a breathable fabric to keep feet from overheating and sweating.

PORTABLE AND LIGHTWEIGHT

Having an OGAWA Tapping Foottee empowers you to have a foot massage on your own terms. It is constructed with lightweight yet durable materials for users to simply carry it up and have massage whenever or wherever they want, whether at home, in the office, or even on the go.

ERGONOMIC DESIGN

Tapping Foottee is designed ergonomically to suit various feet sizes. Its arc design can reach the difficult spots on your feet and stimulates the soft tissues and acu-points.

BENEFITS

IMPROVES BLOOD CIRCULATION

Having a good blood circulation helps maintain healthy blood and oxygen flow, allowing your body to function properly and efficiently. With this, it could help prevent potential sickness or diseases.

PROMOTES BETTER SLEEP

There's a lot that can interfere with your usual sleeping pattern which causes stress and high-blood pressure. Study shows that a soothing and relaxing foot massage before going to sleep helps to have a better and peaceful quality sleep.

PREVENTS MUSCLE INACTIVITY

A study reveals that inactive muscles affects the muscular strength, which makes a person's body weak. OGAWA's Tapping Foottee reaches your foot's difficult spot and can help make these muscles active again.

RELIEVES BODY PAIN

OGAWA's Tapping Foottee promotes overall body relaxation. Having a foot massage doesn't just focus on healing your feet alone but the pressure released on your foot radiates to the different parts of your body making you feel better and healthier.
