

INSTRUCTIONS TO SHIP ECU FOR CALIBRATION

Did you confirm we program your ECU brand and have an available map? If not, be sure to click on the link in the Product Description to confirm we have a map for you.

Customer must ship ECU at the customers expense, we suggest you add insurance and tracking to your package, we are not responsible for lost items. If shipping from outside of Canada, the Custom and Duties form should be marked "sending for repairs". We will not be responsible for any incoming Custom & Duties charges incurred for incorrect shipping or labeling. PLEASE MAKE SURE TO DISCUSS THIS WITH YOUR SHIPPING COMPANY!

INCLUDE IN THE BOX WITH YOUR ECU:

1. Full name and return shipping address
2. Phone number
3. What ECU Map you require

SHIP ECU TO:
