Tussock Jumper Chenin Blanc 2020 – Stellenbosch, South Africa (\$11.99/750ml)

An off dry wine with flavors and aromas of lime zest, guava, and tropical fruit, along with a crisp, elegant minerality and finish, this South African wine comes from select vineyard farms in the Helderberg and Paarl regions, as well as the high slopes of the Du Toitskloof mountains. An ideal choice for holiday celebrations like Feast of the Seven Fishes (seafood), or with poultry or ham. Find it in your local wine shop, or get it on Drizly!
