

BASE CAMP KINGDOM BUSINESS VIDEO SCHOOL

3 MONTH SCHOOL = \$50US

What is a “Base Camp”?

A Base Camp is a camp from which mountaineering expeditions set out and is used by mountain climbers during their ascent, for a number of reasons:

- It provides supplies, shelter, and communications for people engaged in mountain climbing.
- It is used to acclimate people for the challenging mountain climb ahead.
- It provides security and survival for advancement.

What is the Purpose of the *Base Camp Kingdom Business School*?

Base Camp Kingdom Business School has been created by Alan Strudwick to teach you how to harness and direct your passion for Kingdom Business. As your targeted sphere of business influence grows, you will begin to witness the Kingdom impact of Cultural Reformation within your own business demographic and ultimately, the community at large.

What is the Goal of the School?

- **Train** and **equip** you for the *Kingdom Business Mountain* climb ahead.
- **Prepare** you for the climb – spiritually, mentally, emotionally, and financially.
- **Empower** you to discern the strategic *timings* of God:

“And of Issachar, men who had understanding of the times to know what Israel ought to do...”
1 Chronicles 12:32 (AMPC)

- **Release** keys for your Godly Kingdom Business Purpose.

“I will give you the keys (the keys are symbols of authority and ruling power) of Heaven’s Kingdom realm to forbid on earth that which is forbidden in Heaven, and to release on earth that which is released in Heaven.” Matthew 16:19 (TPT)
