Honored with 2023 National Parents Awards -

Las Vegas, NV, January 4, 2023 - [Hubble Connected](https://www.hubbleconnected.com), leaders in emotional tech and creators of the “connected nursery,” is proud to announce that three of its advanced “smart nursery” baby monitor products have been selected as winners of the prestigious [2023 National Parenting Product Awards](#).

The Hubble Connected **Nursery Pal Dual Vision Video Monitor** (\$229), **Guardian+ Wearable Baby Movement Monitor** (\$149), **Eclipse+ Smart Soother/Wi-fi Audio Monitor** (\$79), all being showcased at PEPCOM during the 2023 Consumer Electronics Show, were honored with 2023 National Parenting Product Awards in keeping with the group’s stated mission “to find and showcase the best toys, baby and family products.”

Like all Hubble Connected products, the Eclipse, Guardian+ and Nursery Pal Dual work seamlessly with the free, easy-to-use **HubbleClub app** (available on iOS and Android) that provides parents full control of their products from their smartphone, along with scheduling and tracking functionalities and a library of resources for parents. Supported by the HubbleClub App, Hubble Connected’s nursery ecosystem includes products in multiple categories, including Prenatal (Roo), Movement Monitors (Guardian family and Dream+), Video Monitors (Nursery Pal Dual Vision and many more), Smart Sound Machines (Eclipse family) and Healthy Nursery (Grow+ Scale).

Attendees at PEPCOM will get a firsthand look at the **Guardian+**, part of the **Guardian Wearable Baby Movement Monitor** family, which also includes the **Guardian Pro** (\$299), and the **Guardian Cam** (\$199), as well as the **Nursery Pal Dual Vision**, the only monitor type unit on the market featuring both a wide-angle and regular view camera on one unit. Also on display is the **Eclipse family** of “smart soothers,” which promote healthy sleep routines for toddlers. Notably, the Guardian Wearable Baby Movement Monitors and Eclipse Smart Soother/Wi-fi Audio Monitors were also recently honored with the prestigious **Mom’s Choice Award® Gold Seal** as “Best in Family-Friendly Products.”

Guardian+, Eclipse+ and Nursery Pal Dual Vision: All in the Family

The Hubble Connected Guardian Family of Wearable Baby Movement Monitors are designed to serve as the ultimate custodian of a baby’s well-being, the products feature a soft wearable strap with a sensor and a Base Station. The sensor wraps gently around the baby's ankle and helps parents track sleep quality indicators such

as heart rate, oxygen levels and child's sleep status, and the Base Station doubles as a nightlight and soother/sound machine that streams hundreds of sleep sounds to create bedtime and rise to wake routines.

The Eclipse family of “smart soothers” are equipped with a multi-color night light, preloaded lullabies, plus hundreds of expert-curated soothing sounds and bedtime stories, creating healthy sleep routines for the entire family. Featuring a unique, sleek, cylindrical design, the versatile **Eclipse+** comes with a wireless charging base so that the speaker unit can be moved from room to room.

The Hubble Connected Nursery Pal Dual Vision is a [smart HD baby monitor](#) made up of a 5-inch screen parent unit and a patent-pending dual lens camera. The camera provides close-up and wide-angle viewing parents can on the parent unit and any smart phone. It also features innovations such as ConnectChat, AI Motion Tracking and more.

Hubble Connected Founder & Chairman (and father of three), Dino Lalvani, noted: “We’re very pleased that our Nursery Pal DualVision, Guardian+ and Eclipse+ have been honored with the 2023 National Parents Awards. As always, Hubble Connected’s goal is to develop and market safe and secure products using the most advanced technologies to help parents stay connected to their children from wherever they are – giving them peace of mind.”

The products are available at Walmart and [Walmart.com](#), [Buy Buy Baby](#), Babylist, Best Buy, [Hubbleconnected.com](#), amazon.com and additional specialty baby stores.
