pH
UP

Contents: 16 fl. oz. (473 ml) Net Weight: 1.16 lb (528 g)

Be Healthy. Go Organic. Use

Directions: Shake well before each use. Add in small quantities, mix thoroughly, and check pH after each addition. Repeat until desired pH is reached. Total amount required will depend on the strength of the nutrient, and the purity of water used. Store tightly sealed in the original container in a cool, dark location. Keep out of the reach of children and pets.

WARNING: Product contains potassium hydroxide. Proper use, storage, and disposal is the responsibility of the user. Protective gloves and eye protection should be worn during use. Avoid contact with eyes and skin. On contact with skin, rinse with soap & water. On contact with eyes, flush with plenty of water for at least 15 minutes. If inhaled, remove to fresh air, and contact a physician. If swallowed, drink several glasses of water, and contact a physician.

Manufactured by: FOOP Organic Biosciences, Inc.
