

# The One Who LOVES

الْوَدُودُ

al-Wadud

Allah is al-Wadud which means 'the most loving' or 'the affectionate'. How do we know that Allah loves us? We know because He made us Muslims. He chose us to worship Him and He gave us the Quran full of wisdom and knowledge. We know because He has promised us Jannah (Paradise) and we know because our parents love us. That love comes from Allah. Allah's love for us is the most pure and we should thank Him for loving us by remembering Him, performing good deeds, and praising Him everyday.
