Monocle

ENGLISH

ENGLISH

Monocle is a rechargeable lightweight headlamp.

Warnings

Do not look directly into the light beam or shine into eyes of others.

Bookman AB does not accept any liability for injuries or other damages resulting in the use of this product under any circumstances.

Warranty

Monocle carries a two year warranty from the original purchase date to the original owner (proof of purchase is required).

The warranty covers any manufacturing defects in material or workmanship. Issues not covered by warranty include normal wear and tear, improper installation, attempting to access or modify electronics, damage or failure due to accident, misuse, abuse and/or neglect.

Contents

1 × Headlamp light

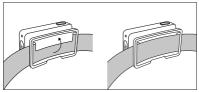

Size

55 x 31 mm (excluding strap)

Water resistance

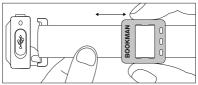

Monocle is protected from splashing water from all directions (IPX4).

Attaching the headlamp

To attach the light, feed the strap through the gap in the light, then under and through the opening.

Strap adjustment

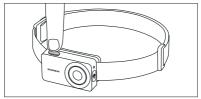

The strap is elastic and adjustable to fit all sizes. Adjust the strap by pulling it through the loops.

Angle adjustment

Monocle features stepless angle adjustment, so you can point it exactly where you need to by tilting the headlamp. If the light will not stay in the desired position, gently tighten the screws on the back of the headlamp.

Operation

On/off: Press and hold 1.5 seconds Change mode: One click Monocle will remember the mode you used last time.

Lock mode

To avoid accidentally turning Monocle on when stored in a bag, the light can be locked.

When on:

Press and hold button for 5 seconds to enter lock mode. Main Led will flash 2 times.
