Pertemuan
Purnama

Shall we meet?

Shall we meet at the beach?

Shall we meet at the beach?
There's a big moon tonight.
Maybe we can catch the light.

I'll meet you at the place
where the sea and the sky meet.
Remember that spot
where the day meets dusk?
Where the tides meet the shore?

I'll meet you there.

I'll bring the flowers,
you bring the music.

There's a big moon tonight.
Maybe if we are lucky
we can catch the light.

A POEM FOR MY DAUGHTERS

Bloom in the air

Walking home from the beach

“Can you feel what I feel?” She said.

“It feels like there is a bloom in the air.

There are ripples blooming in the breeze.”

“I can’t see anything,”

a second little voice chimed.

“That’s ok sweetie.

There are too many tiny miracles,

we can’t see all of them.”

She said, as she held her little hand.

“But there is definitely a bloom in the air...”

PURNA, SEMPURNA.
MA, UKURAN.

Purnama

SATU, DUA, TIGA

Semburat pelangi memberi tanda.

Dia datang lagi di malam larut,
aku terjaga.

Dia mengintip dengan senyum ragu.

Benar ya, jangan tak datang...
Ya, aku datang dengan sebuket rasa...
Berjanji untuk mengulang...

Semoga kali ini lebih tabah, mudah...

Pasir... Kabut, tapak kaki, isyarat kita.

Perlahan diusap hujan..
Sampai tiba gemuruh diganti gerimis...

Saat Pulang

Ada yang membekas dan tak terucap...

Saat bintang-bintang dibawa pulang
dalam kantong baju.

Diberikan pada yang menanti.

Belum lelap...

...dia terjaga.

Mengapa lama?

Bertemukah dengan kelinci terbang?

Kulihat dia melintas...

Apa mampir padamu...

padanya?

Mungkin...

Apa iya asap dupa menyentuh langit?

Tak kau lihatkah?

Ya... tapi telah dibawa olehnya,
diberikan kepada perempuan kecil
bermata abu...

Kelinci itu berkedip terang
dan mengucap sayang...

Dia siap menyambung dengan
kerabat.

Janji jumpa saat purnama...

...dan bersama mereka yang
membacakan puisi, berkisah, ber-
solek,

wangi untuk sebuah pertemuan.

Berjalan beriringan...

menghabiskan serpihan malam...

Dan... melambailah aneka galaksi
yang dicatat kilatan cahaya...

CHAPTER 3

Moon Dancers

A close-up photograph of a woman's face and neck, showcasing jewelry. She is wearing pearl drop earrings and a necklace. The earrings feature a gold-toned moon rabbit charm with a pearl drop. The necklace has a matching moon rabbit charm with three teardrop-shaped pearls hanging from it. The background is a soft, light pink color.

Moon Dancers

On the mountains of time,
in the valleys of memories.
Strange flowers bloom.
Little paws hop back and forth,
up and down.
Laughter fills in the gaps,
a sneaky little game to fill the time.
There are infinite possibilities here.

In the mountains and valleys.
Between the flowers, the laughter,
and the tears.

*They dance in the moonlight
and smile at it all.*
