Tough Enough

Heavy-Duty High Alkaline Cleaner

This powerfully alkaline, concentrated cleaner is designed for the most extreme cleaning challenges. Its caustic formulation acts fast, for highly effective cleaning and degreasing even in the most heavy-duty industrial applications.

Benefits:

- Extra heavy-duty formulation
- Eliminates difficult greasy soils with ease
- Economical
- Excellent on tough greasy soils

Applications:

This product will remove soot, ink, carbon, and other soils from industrial concrete floors and masonry surfaces such as those found in:

- Automotive repair shops
- Service stations & car washes
- Educational facilities
- Commercial printers

Directions for Use:

Dilute to proper ratio for desired task. Apply to surface and allow adequate contact time. Wipe or rinse away.

Caution: Avoid contact with alkali-sensitive surfaces like aluminum and painted surfaces. Do not allow skin contact. If skin contact does occur, immediately rinse with plenty of water.

Base Code: R086

Companion Products:
