

## Quality. Coverage. Reliability.

*Our fragrances contain premium ingredients and effective odor counteractants and they meet low VOC requirements.*

### Quality

TimeMist premium fragrances include essential oils and only quality ingredients. Manufacturing in the USA ensures that each fragrance measures up to the high standards of excellence we set and adhere to.

### Coverage

The technology goes far beyond our formulation of oils which are proven to provide consistent coverage and longer lasting fragrance. Each TimeMist refill has our dual actuator system that delivers an ultra-fine mist of freshness with each use. Our formulation, combined with our technologies, provides continuous coverage of premium fragrances, making your facility clean and fresh all year long.

### Reliability

TimeMist invented metered air technologies and continues to provide the best fragrances on the market. Our name serves as a benchmark in our industry and is a reason why so many other premium fragrance brands select our company as the provider of choice for their product lines.
