## PRODUCT SPECIFICATION REPORT

# ZEP-O-SHINE™ Car Wash with Polymer Wax

### DESCRIPTION

Concentrated premium grade liquid car wash. A combination of an all synthetic detergent system, foam boosters, and a special synthetic wax designed for manual wash operation.

### FEATURES

- One-step wash and wax
- Hard water tolerant
- Gentle and effective
- Biodegradable

### BENEFITS

- Effectively cuts through the most stubborn soils. Dries to a bright finish with only light buffing.
- All synthetic formula foams, cleans, and rinses well regardless of water hardness.
- Mild enough to be used by hand, yet powerful enough to remove the most stubborn soil and road film.
- All surfactants used are biodegradable.

### APPLICATIONS

For use in any hand wash application where wash and wax are desired. Particularly useful in:

Car Washes  
Car Rental & Leasing

Detail Shops  
New & Used Car Dealers

Service Stations  
Truck Rental & Leasing Dealers
