VELVET™ Pearlized Lotion Soap, Moisturizes As It Cleans

DESCRIPTION

A full-bodied, mild, white, lotionized, liquid hand soap with a clean pleasant fragrance.

FEATURES

- Concentrated
- Rich lather
- "Feels" great
- Hard water effective

BENEFITS

- A single "squirt" from the dispenser provides sufficient soap for general cleaning.
- When worked onto the hands, produces a thick, luxurious lather.
- Imparts a clean, soft "feel" to the hands.
- Performs as well in hard as in soft water areas.

APPLICATIONS

Formulated to clean light soils from the hands, while it conditions the skin. For use in the restrooms of offices, lounges, restaurants, cafeterias, schools, buses, trains, airplanes, ships, airports, hotel rooms, hospitals, and nursing homes.
