

PRODUCT SPECIFICATION REPORT

T'N'T is a premium liquid truck and trailer wash formulated to remove exhaust deposits, road film and bug residues from painted and unpainted surfaces in one application with minimal brushing.

T'N'T™

Non-Phosphate, Brushless Truck and Trailer Wash

PROD. #0376

FEATURES/BENEFITS:

Economical	T'N'T can be diluted up to 1 to 25 parts for heavy duty cleaning.
Versatile	T'N'T can be applied with high or low pressure, in hot or cold water. For best results apply with high pressure and hot water. Rinse with high pressure.
Free Rinsing	Synthetic, biodegradable detergents rinse freely and completely to eliminate streaking.
Saves Time and Labor	Cleans effectively. In most cases, the need for manual brushing is reduced.

APPLICATIONS:

T'N'T is an excellent truck and trailer wash designed for high pressure applications and is highly effective on road film. It is particularly effective for use at: contract truck washing services, truck leasing dealers, and truck washes.
