

# PRODUCT SPECIFICATION REPORT

I.D. Flush is a multi-purpose solvent degreaser with a fast evaporation rate to quickly flush away soils.

## I.D. FLUSH

Fast Evaporating Solvent Flush

PROD. #4643

### FEATURES/BENEFITS:

Effective	Formulated with premium solvents which quickly penetrate soils for efficient removal from surfaces. This product may also be used as the second step in a 2-step system with I.D. Clean as a flushing solvent for quick removal of the slower evaporating solvent degreaser.
VOC Compliant	Acceptable for use for applications requiring solvent based cleaners; meets OTC and CARB regulation standards.
Fast Evaporating	I.D. Flush quickly evaporates from surfaces; no rinsing needed.
No Residue	The solvent evaporates completely, leaving no detectable residue on cleaned surfaces
Non-Emulsifying	Will not interfere with oil/water separation.
Non-Corrosive	Does not contain any ingredients which can cause corrosion on metal surfaces.

### APPLICATIONS:

I.D. Flush can be used for a variety of applications from general purpose degreasing to brake cleaning. Recommended for use to auto repair facilities, equipment repair shops, manufacturing facilities, and electrical services.

**Note:** Solvent may damage plastic or painted surfaces; check for compatibility before general use.

### COMPANION PRODUCTS:

I.D. Clean, Zepride, Formula 50, Tuff Green Concentrate (GreenLink), Dyna Green 4797, Soy Response (GreenLink), Zep 70 (GreenLink), Red Slide, Shell Shock (GreenLink), Sweeping Compound, Ultrawipes

### SPECIFICATIONS:

Physical Form	Thin Liquid
Odor	Melon
Color	Clear, Colorless
Specific Gravity	0.76
Flash Point	<-23.8°F (<-31°C)
Shelf Life	1 Year Minimum
D.O.T. Shipping Label	Flammable Liquids, N.O.S. (Acetone)
