

PRODUCT SPECIFICATION REPORT

Orange Gel Degreaser™ is a blend of naturally-occurring organic degreasers, detergents, and emulsifiers formulated for easy application, especially on vertical surfaces. Designed for the transportation industry, hotels and motels, educational facilities, nursing homes and hospital facilities.

ORANGE GEL DEGREASER™

PROD. #0001

Gelled Citrus Industrial Degreaser Aerosol

FEATURES/BENEFITS:

Gelled Formulation	Gelled formulation aids in contact time especially to vertical surfaces.
Low Toxicity	Naturally-occurring citrus solvent is less hazardous than petroleum distillates, chlorinated solvents or butyl cellosolve.
High Solvency	Comparable solvency with petroleum distillates and chlorinated solvents.
Pleasant Fragrance	Imparts a fresh citrus fragrance with no objectionable petroleum or chlorinated solvent odors.
Biodegradable	All detergents and emulsifiers used are completely biodegradable.

Note to customers in California, Lake Michigan Air Directors Consortium (LADCO) states, and Ozone Transportation Commission (OTC) states: this product is sold to and is to be used exclusively by establishments which manufacture or construct goods or commodities.

APPLICATIONS:

Formulated to degrease molds, dies, and other industrial equipment. Effectively emulsifies tar and asphalt, and removes many industrial glues and protective coatings. Ideal for use on vertical surfaces where contact time is critical. Excellent cleaner for unpainted concrete floors, and for removing scuff and rubber tire marks. Ideal spotter and gum remover for carpets. May damage some plastics and/or painted surfaces. Test on inconspicuous area before general use. Particularly useful in: Cleaning & Maintenance Services, Sanitary Services, Hotels & Motels, Operators of Apartment Buildings, Nursing Homes & Hospitals and Schools & Educational Services

COMPANION PRODUCTS:

GreenLink Concentrated Glass Cleaner, Bowl Shine II, Mildew Stain Remover, Quick, Acclaim, Zepdynamic A, Zep Safety Glasses, Zep gloves

SPECIFICATIONS:

Physical Form	Aerosol (liquid)
Color	Clear, Amber
