

PRODUCT SPECIFICATION REPORT

MEGA WASH™

Super-Concentrated, All Climate Car Wash

DESCRIPTION

A super-concentrated, high-foaming, all climate car wash for all types of car wash systems and equipment.

FEATURES

- Super concentrated
- High-foaming
- Economical
- Easily mixed
- Space saving
- Freight savings

BENEFITS

- One 5-gallon pail makes a 55-gallon drum of concentrated car wash, which is then further diluted prior to use.
- Produces thick, stable foam at use dilution.
- One 5-gallon pail will wash more than 20,000 cars, when label directions are followed.
- Formulated to mix readily with water. Won't clog pipes, nozzles or equipment.
- Storage space is saved since one 5-gallon pail equals a 55-gallon drum of most car wash concentrates.
- A 5-gallon pail weighs less than 70 pounds and will ship UPS or Purolator in most locations.

APPLICATIONS

May be used in full service, self-service or exterior only washes in both reclaim or non-reclaim systems.
