

# PRODUCT SPECIFICATION REPORT

A premium nonionic laundry detergent excellent for cleaning synthetic and natural fabrics. Penetrates stains and promotes emulsification of oily soils. Provides superior cleaning action when used with Zep Release II.

## ZEPLEX

Liquid Laundry Detergent - Emulsifier

PROD.#0866

### FEATURES/BENEFITS:

General Purpose	Ideal for many types of industrial and institutional laundry; will not harm any water washable fabric
Effective On Oily Soils	Special surfactant system provides excellent cleaning action against oily and greasy soils
Brightens Fabrics	Optical brightener renews brightness of whites and colored fabrics
Liquid Concentrate	Mixes readily and goes to work immediately; will not clog or cake up in automatic injectors
Hard Water Tolerant	Performance and rinsability are unaffected by moderate levels of water hardness while water conditioning agents help prevent the deposition of dulling, graying film on fabrics
Chemically Compatible	May be used with bleaches, boosters and breaks

### APPLICATIONS:

The following use directions are recommended:

- Light Soil: 4 – 6 oz. per hundred weight (cwt)\*
- Medium Soil: 8 – 12 oz. per hundred weight (cwt)\*
- Heavy Soil: 16 oz. per hundred weight (cwt)\*
